

Internal

The **Production Technicians/Operators** are responsible for safe and efficient operation of equipment and systems to produce Specialty Powders and Yeast Extracts. This includes Spray Dryers, Evaporators, Dry and Liquid blenders, Packaging, Separators/Centrifuges, and CIP systems. Operators perform a critical role at Ohly. Attention to detail, organization, and the ability to quickly identify and resolve problems within a team are key. Ohly Americas is now offering up to **\$2,500 Sign on Bonus** for a **Production Technician/Operator** for our team in Boyceville Wisconsin USA.
