

# Industrial Maintenance Technician

Ohly is one of the world's leading suppliers of yeast-based specialty ingredients for the global food, fermentation, feed, and health markets. It is part of the Associated British Foods Ingredients group (ABFI), providing specialty ingredients to a variety of segments including Food, Beverage, Nutrition, Feed, and Pharma. Within the model of devolved autonomy operated by Associated British Foods, Ohly develops and implements its own strategy and accounts for its own business success. This empowers our people with great freedom and independence, while enjoying all of the benefits and opportunities that belonging to a global group brings, meaning that individuals and teams can make a real difference within this operating culture.

Ohly has a great opportunity for an **Industrial Maintenance** person to join our team in Boyceville, Wisconsin. This position is fully onsite.

## What You'll Do

As an integral part of our team, you will be responsible for a wide range of tasks, including:

- Performing preventative and corrective maintenance to maintain a variety of mechanical and electrical systems.
- Using your skills in **welding (TIG), pneumatic controls, mechanical systems, and process automation**.
- Maintaining facility equipment, structures, and grounds to ensure they meet our safety and operational standards.
- Includes maintaining **steam generation** and **wastewater systems**.
- Upholding Good Manufacturing Practices (GMP) and company safety protocols.

## What We're Looking For

- **Essential Skills:** A high school diploma or GED, trade school certificate, degree, or diploma in maintenance or related field, and a minimum of 1-3 years of maintenance or related experience are required.
- **Key Qualifications:** We are seeking a candidate with strong **mechanical aptitude** and excellent problem-solving skills who can communicate effectively.
- **Desired Knowledge:** Experience with **TIG welding, PLC logic, motor control, and process device control** is highly desirable.
- **Preferred Background:** Previous experience in a **food manufacturing** environment is a plus.

## Salary & Benefits

- **Competitive Salary:** We offer a highly competitive salary based on your experience, \$32.10 hr.
- **Comprehensive Benefits Package:** Enjoy a full suite of benefits, including medical, dental, vision, life insurance, a 401(k) retirement plan with company match, and paid time off

Ohly operates based on our values of doing the right thing for our people, customers, and planet. We are committed to creating a diverse and welcoming workplace that includes colleagues with varied lifestyles, backgrounds, and experiences. We believe that enables us to better meet our values while innovating and delighting our customers throughout our global communities. If you are a creative engineering professional with a project related background, passion for manufacturing, and would like to find out more about US based opportunities we'd love to hear from you.
